February 2022

Dear SKiPPS parent/guardian,

Year 3/4 Curriculum Contributions, Extra-Curricular Items and Activities and Other Contributions 2022

St Kilda Park Primary School is looking forward to another great year of teaching and learning and would like to advise you of our parent financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, all government schools require and request an annual contribution to cover the cost of essential learning items and we appreciate the ongoing support of our families in making this payment to ensure that our school can offer the best possible education and support for our students.

The **Curriculum Contribution** we ask you to consider making is to provide class requisites (stationery, texts books, equipment, online subscriptions) for your child to use daily in the classroom. At other schools parents are issued with a book list and asked to source these resources themselves, however SKiPPS chooses to purchase everything your child needs throughout the year in bulk at discounted prices. This allows us to keep parent contributions below what is asked by other schools and provide consistency of materials that all students can access.

This Curriculum Contribution also includes the cost of excursions/incursions and other activities or services that the school deems essential to student learning of the standard curriculum (eg. Year 3/4 Kitchen Garden etc). Families will be informed in advance with a notice when all activities are conducted throughout the year.

All government schools also rely on **Other Contributions** from families in order to provide additional activities, equipment, resources, materials, services and building maintenance to broaden and enrich your child's time at our school. For 2022 we are requesting a general contribution amount of \$100. Also for the first time we have tax-deductible funds set up for our school Library and our Building Fund and we are requesting donations of \$50 for each fund. Contributions made into these funds are classed as fully tax deductible and we will issue you with a receipt to present to your accountant at the end of the tax year. SKiPPS is very grateful for this generosity. It's part of what makes St Kilda Park Primary School such a special community.

Finally, we draw your attention to **Extra-Curricular Items and Activities**. We do not ask for payment up-front for these but rather ask you to pay if you would like your child to take part. This includes non-compulsory things like school photos, the Maths Talent Quest, District sports events or private individual music tuition.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Neil Scott
